Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Higgins Lake Sewer Project in fiscal year 2024. The entity to receive funding for this project is the Gerrish Lyon Utility Authority located at 2997 E Higgins Lake Dr., Roscommon, MI 48653.

The project is an appropriate use of taxpayer funds because it funds a critical need of the Higgins Lake Community by ensuring failing septic systems are replaced with a public sewer system. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jack Bergman
Member of Congress
